

The Mid-Michigan Rock Club

would like to present

Fracking

WITH JIM ARMBRUSTER OF THE
DEPARTMENT OF ENVIRONMENTAL QUALITY

Jim Armbruster will present the Mid-Michigan Rock Club with information on fracking. Mr. Armbruster works for the Office of Oil, Gas and Minerals, which is responsible for regulating the gas and oil industry in Michigan.

Come join us as we learn about the process of fracking on Tuesday, March 5, 2013, at the Chippewa Nature Center. Visitors always welcome at MMRC Programs.

Presentation Time 7:00 pm

**Chippewa Nature Center
400 S. Badour Road
Midland, MI 48640**
